SUCCESS STORY OF BHAGBAT NAYAK

Bhagbat Nayak, a Farmer of Sakosinga village in Banarpal Block, Angul Dist .He was growing Paddy & Other cultivation in one & Half of Land. The production of Field in sufficient for the family. Thus, he was cultivating paddy in High land. That also was insufficient for family consumption. Once upon a time he was listening from neighbors about **SRI**. He rushed to talk with to **LVAW AND VAW** to get the many apprehensions. A LVAW AND VAW informed her FIAC, Banarpal is supporting villagers to undertake System of Rice Intensification (SRI).During Last Kharif Session, FIAC, Banarpal & **Social Development Foundation, Talcher** conducted a Awareness cum training on System of Rice Intensification. Bhagbat Nayak attended the Awareness cum training initially he hesitant to cultivate System of Rice Intensification (SRI) and apprehensive of produce. FIAC, Banarpal & SDF Staff repeatedly came to him and clarified doubts. He Stared Cultivation of paddy 1 Acre. Bhagbat Worked in and day out. Engage her Wife, Son & Daughter in Law in guarding the field frequently, he consulted LVAW & VAW for use of Bio-Fertilizer, Organic Manure, Liquid Manure & Bio-Pesticide etc. All hard efforts the production was marvelous. Last Year "he says that he earned a huge profit from sale on Paddy (**KalaChampa).**In this Kharif session I will definitely Cultivate Paddy in large area. I will Never Forget FIAC, Banarpal & Social Development Foundation Staff's help and support" Bhagbat Nayak replied with a feeling of Happiness on her face. In order to help the Farmers and other institutional development work of Sakosinga village **BIPF**, as a knowledge partner of Social Development Foundation respectively.
